

NE

NE 52 E - 2K
 FULLY AUTOMATIC ATTACHING MACHINE
 for Eyelets / Washers up to 20 mm diameter

TECHNICAL DATA

Drive	Electric motor
Speed (constant)	max. 100 pcs. / min.
Insertion height	20 mm
Insertion depth	100 mm
Operating height	920 mm
Feeder content	max. 1000 pieces
Voltage	230 V / 50 Hz
Connecting load max.	1.1 kVA
Noise level	< 80 dB (A)
Attaching force	10000 N
Compressed air pressure	6 bar
Dimensions W x L x H	800 x 650 x 1650 mm
Weight	145 kg

RANGE OF APPLICATION

Eyelets / Washers: up to 20 mm diameter

ADVANTAGES

Excellent safety due to integrated fingerguard
 Fully automatic eyeletting up to 20 mm diameter
 Automatic pre-piercing of fabric
 High attaching force (10000 N)
 CE mark
